Authorization & Order Form

General

When ordering products from SeaKa, the following conditions apply.

Availability

Delivery of all our items is determined by our choice for the fastest possible delivery. Delivery time varies depending on product availability, however, if product is available, it will be shipped to the address stated within 3-5 days of receipt of payment. In the event that there is a delay in delivery, the customer will be informed of the reason for the delay and the new estimated delivery time. If the customer does not accept the new delivery time the customer is entitled to cancel the purchase.

Supply Risk

electroCore assumes the risk of damage or loss of the goods during shipment from the warehouse to the customer. In case of return of goods, the customer is responsible for the risk of damage or loss.

Prices

Prices do not include federal (GST, HST) or provincial sales tax.

Payment

SeaKa offers payment by VISA or MasterCard only.

Subject to changes

We reserve the right to change prices, final sales, typographical errors, errors in product images and / or inaccurate information caused by technical or human error. We reserve the right to change prices and conditions of sale.

Right of withdrawal

electroCore gives you the right to cancel your purchase within 30 days from the date you received your goods. The item must be returned in the original packaging and be in the same state, not destroyed or damaged. In the event that the device has been repackaged in any of our special packages or its container / package must not be destroyed or otherwise damaged. When returning an item you are responsible for the return cost. electroCore is not responsible for any shipping damage or loss of returned product. It is important that the returned goods are properly packed and that the correct postage is paid. Contact our customer service by phone 877-490-2653, by fax 604-896-1657 or via e-mail address: CustServ@SeaKaProducts.ca before you return your goods.

Repayment of return

Approved returns are refunded within 10 working days. When the goods have been paid by card the refund will be transferred to the card that was used with the purchase.

electroCore Patient Promise

SeaKa will issue a full refund for the product for any reason within 45 days from receipt of device.* SeaKa will issue a full refund for the products affected by the workmanship. It is important to examine the product carefully when it arrives. Any complaints regarding workmanship should be made within 7 days of product delivery date. Contact our customer service by phone 877-490-2653, by fax 604-896-1657 or via e-mail address CustServ@SeaKaProducts.ca. Enter a brief description of the subject, your name and order number for further instructions. electroCore will send the affected device to the manufacturer for a final assessment. (*Applicable on first device on initial order only, must complete product training, one per customer).

Privacy & Security

electroCore and its Partners follow all local privacy laws in the country of sale. electroCore only uses your personal information to fulfill our commitments and communication to you.

Fraud attempt

All attempts at fraud will be prosecuted.

A valid authorization from a physician

To order gammaCore from electroCore, the customer must have a valid authorization from a qualified physician for the device(s) ordered. We expressly state, that the use of gammaCore without physician's advice and valid authorization can cause damage to you.

Certificate when ordering

The minimum age to buy at electroCore is 18 years. The devices offered are not available and approved for use by persons under the age of 18.

Force Majeure

electroCore is not responsible for delays in performance (including shipping and warranty action) caused by circumstances beyond electroCore's control. Examples of circumstances beyond electroCore control is - but to be an exhaustive list - labor disputes, power failures, lightning, fire, atmospheric disturbances, legal enactment, government action, war, strikes or similar causes, possible blackouts, disruptions in charge of hosting / server etc.
